** The Extra Rehearsal Schedule will run from **May 29th to June 12th**. Extra Rehearsal is designed to give students extra opportunities to practice their recital showcase dances in the last couple of weeks prior to the showcase. There is a brief warm-up at the beginning of class and then the remainder of the class is spent running the dances many times over. The extra days that are not “regular” class days for your student are not mandatory but highly encouraged! Every chance to practice builds confidence.

****Dress Rehearsal Details/Schedule****

Dress Rehearsal will be held on **Saturday, June 5th, 2021**. Dress rehearsal is **Mandatory** for all students in order to participate in the spring showcase. Dress rehearsal is held at FootLoose Dance Studio.

- There are only 2 excused absences for dress rehearsal:
 1. Doctor’s note
 2. Death in the family

***An absence on dress rehearsal will result in non-participation on Show Day**

- All dancers must arrive with hair and makeup complete and their first costume on.
- Dancers in Beginning & Intermediate classes that are in multiple dances will be required to change costumes ON THEIR OWN during both dress rehearsal and at the showcase. They are all old enough to handle changing themselves. Dress Rehearsal Day is the perfect opportunity for them to practice changing themselves. There is a video that was created for you all on how to organize costumes/shoes, etc. to limit confusion, loss of items, etc. We are asking everyone to use this tested method of organization!! Please view the video, after costumes are sent home, we suggest students practice changes at home before coming to dress rehearsal. This video is currently available to look at on our FootLooseOkinawa Studio Facebook page. This will give them confidence to take care of themselves on that day! Dancers will need a garment bag for this method of organization. They are available at BX, uniform clothing stores, local stores, 100 yen stores, etc.

- We will allow for parents to watch a run through on dress rehearsal day of the dances at the end of the rehearsal. During the Spring Showcase we will not have an audience. Parents will have to remain close by to pick up their dancer. We will be recording the show and will be sending out the videos to you.

FootLoose Dance Studio has put in place preventative measures to reduce the spread of the Coronavirus/COVID-19.

All individuals are required to wear a face mask the entire time while being in the studio. Hand sanitizer upon entry and at the end of class. The instructors will assist you with separating everyone to practice social distancing.

**Please keep your dancer at home if they are experiencing cough, sore throat, fever, diarrhea, etc.

- Pictures and videoing are allowed at dress rehearsal. Picture & video opportunities will remain at the discretion of studio management. Please help us to maintain an orderly environment outside. We highly suggest leaving younger siblings at home with a spouse or friend on this day. The photographer will be taking pictures of all dances and also be taking class pictures after every dance.

**Below is the general timeline for dress rehearsal. We will be wearing the FootLoose T-shirt for the start of dress rehearsal, please have your dancer wear this over their costume upon arriving at rehearsal. We will try our best to stick to the schedule below. However, circumstances like costume changes or necessity to run dances a second time could have us run a little later than expected. Our rehearsals usually end between 1800-1830.

Being on time and prepared will help us stick to this schedule. Attendance is mandatory and required in order to participate in the show on Sunday, June 13th.

** The theme for the Spring Showcase is “We Choose To Dance”. Please locate your student’s dance in the list below. The Hip Hop classes are the closing act of the show. We will be following this same line-up for the Showcase.
